Maps should be attached in a small folder by hole punches. These folders should have a title/cover page and table of contents with a list of the maps and their page numbers.

Maps will be evaluated on the following criterion.

Are all locations requested accurately located?

Are any locations missing?

Are colors used effectively and do they follow the designated color assignments?

Is the printing very neatly labeled?

Are the essential elements of a map shown? (key, compass rose, title)

Is the map effective in showing the items clearly and creatively?
(i.e. map balance, map borders, color hierarchy)
